

Fislers 3rd Annual Elementary Science Olympiad competition was held on Saturday April 16th 2016. 40 Students from 4th through 6th grade had fun competing in various science related events. The event gave Fisler students in elementary school a chance to experience a small taste of what Science Olympiad is all about. Students competed in up to 3 different events throughout the day and took home medals for the top 3 places in each event. Congratulations to everyone that participated and to all the event winners. Also would like to say a big thanks to the 8 volunteers from Fisler's Middle School science Olympiad team who helped run all the events.
